

PINOT GRIGIO

CLASSIC | 2025

HENRY *family estate*
of PELHAM

THE CLASSIC WINES

Our Classic wines focus each grape varietal's character through our wine region's lens. Modern techniques harmonize with old-world character to produce wines that are vibrant, balanced, and confidently Henry of Pelham.

NIAGARA PENINSULA

The most prominent wine region in Canada, representing nearly 2/3 of the country's wine grapes and 98% of Ontario's, the Niagara Peninsula is defined by its adjacency to the moderating waters of Lake Ontario and the protective rock face of the Niagara Escarpment. Of the region's 10 sub-appellations the Short Hills Bench is our home. With 90% of the regions' south facing slopes and an average diurnal shift of 13°C, it is both one of the warmest and coolest appellations during the growing season. Combined with a diversity of lacustrine soils, the local mesoclimate and aspect produce unique yet representative Niagara wines.

DESCRIPTION

Niagara's climate resemblance to north-eastern Italy in the growing season makes our Pinot Grigio a refreshing wine with flavours of tropical melon and a hint of minerality.

WINEMAKER'S NOTES

- Soils are primarily lacustrine silty clay.
- Vineyards are not a monoculture, wildlife corridors are preserved.
- Sustainably grown under SWO.
- Yields of 4-5 tonnes per acre.
- Gently destemmed then whole berry pressed in the absence of oxygen to preserve the natural freshness of this wine.
- All grapes gently moved by gravity.
- All juice is press-fractioned to separate the finest cut.
- Fermented at cold temperatures of 15-17°C in stainless steel tanks to preserve the fruit's delicacy and freshness.

FOOD MATCHES

Pair this crowd pleaser with ceviché, chicken, or a pasta salad.
