

# UNOAKED CHARDONNAY

2021 NIAGARA PENINSULA VQA

## OVERVIEW

The Two Sisters Unoaked Chardonnay is a thoughtful combination of fruit from our Estate vineyard and Canada's oldest Chardonnay vineyard, the Lenko vineyard. The vines are carefully cultivated and the crop is limited to insure maximum flavor and character in the wine. Two Sisters Unoaked Chardonnay is made completely in stainless steel, to accurately reflect the grape variety and the terrior of the vineyards.

## RECOGNITION

**DOUBLE GOLD MEDAL** - All Canadian Wine Championships

## TASTING NOTES

A surprisingly complicated wine, with an inviting nose of poached pear, ripe apple, hints of baking spice and ginger, and an underlying minerality. The palate is brilliant and complex, with yellow apple, ripe pear, melon and ginger. This Chardonnay has a wonderful mouthfeel as the slightly creamy texture and lively acidity complement the flavors, and there's also that lovely hint of minerality that lingers in the finish.

The best food pairings take advantage of the wine's naturally high acidity to act as a palate cleanser and work well with delicately creamy sauces. Due to the lighter, more delicate taste profile of unoaked Chardonnay, you'll want to stick to lighter meats and fishes. Lean towards fresh herbs, white pepper, and low overall spiciness.

Try baked chicken, escargot, or pasts tossed with roasted vegetable and olive oil.

## SPECIFICATIONS

**APPELLATION:** Niagara Peninsula VQA  
**AGEING:** 100% Stainless Steel Fermentation  
**HARVEST:** September 29 - Oct , 2021  
**ALCOHOL:** 12.5%  
**TITRATABLE ACID:** 7 g/L

EVERY BOTTLE IS MEANT TO BE ENJOYED TO THE FULLEST
