Description: This lucent vintage is approachable, bright and it wears its heart on its sleeve. It is completely open with clear notes of strawberry, cherry, blackberry and a kiss of cranberry. You can actually see into this wine's soul. It displays a lacy force that is completely endearing and stunning at the same time. The moderate tannin structure elegantly shadows the open fruit nature of the wine and the cheerful acidity keeps the energy high. It is a forthright friend with an open heart.
