**Description:** The warm, dry growing season of 2022 added an extra sensory-spin to this iconic wine, but of course the pure, powerful and historic drive is always there. Like a gyroscope, the Elevation St. Urban Riesling remains true, reliable and constant regardless of the yearly weather pressures that seek to make their presence brazenly known. The signature lemon-lime zest and white peach core is steady and electrifying while the occasional wisps of melon and mango spiral by for added vintage interest. The bright acidity is the spindle around which all revolves and the soft sweetness that appears and recedes like a lulling wave makes this titan endlessly engaging and a perfect partner for a variety of bites.
