THE CLASSIC WINES

Our Classic wines focus each grape varietal's character through our wine region's lens. Modern techniques harmonize with old-world character to produce wines that are vibrant, balanced, and confidently Henry of Pelham.

NIAGARA PENINSULA

The most prominent wine region in Canada, representing nearly 2/3 of the country's wine grapes and 98% of Ontario's, the Niagara Peninsula is defined by its adjacency to the moderating waters of Lake Ontario and the protective rock face of the Niagara Escarpment. Of the region's 10 sub-appellations the Short Hills Bench is our home. With 90% of the regions' south facing slopes and an average diurnal shift of 13°C, it is both one of the warmest and coolest appellations during the growing season. Combined with a diversity of lacustrine soils, the local mesoclimate and aspect produce unique yet representative Niagara wines.

DESCRIPTION

From the world's Baco Noir pioneers, comes this full-bodied red wine with plenty of strawberry/mulberry flavours, and a hint of black pepper aromas. Originally from the Gascony region of France, Baco Noir was first cultivated for its heartiness, disease tolerance, and its ability to ripen early. Today we add to this Baco's silkiness and elegant forward fruit flavours.

WINEMAKER'S NOTES
