

FLAT ROCK CELLARS

2021 PINOT NOIR

\$24.95

VQA Niagara Peninsula VQA

94 Points - Vic Harradine, winecurrent.com

Hand-picked, hand-sorted, small batch ferment, French oak barrels; no detail is spared when crafting our Pinot Noir. True to the 2021 vintage, the wine portrays bold red fruit flavours, deep colour and youthful grippy tannins. The refreshing acidity pairs balances the nuanced spice from oak ageing.

BIN: 21007

5900 Cases Produced

The foundation for great wine is built from the geologically diverse, ancient limestone soil upon which our exceptional winery stands. The wines of the Foundation Series are classically fruit-driven and varietal-focused, each enhanced by the unmistakable traits of our vineyards. The wines are sustainably made with great care and precision in our ve-level gravity-ow production facility.
