Product story

Winner of the Platinum medal for Chardonnay at the 2022 National Wine Awards (Wine Align), this wine proved our terroir stands among the best in Canada.

Tasting Note

Energetic, expressive oak and mineral-driven. Reductive at first on the nose, opening up with a lingering cascade of complex fruit, spice and mineral aromas. Dry, oaked.

What's your Occasion?

The oenophile will enjoy this wine on its own as they swirl and sip it in a glass, and it also pair well with more flavourful cheeses.

Suggested Pairings

Pair with turkey dinner, seafood, rich cream sauces, garlic toast.

Smoked cheddar is a favourite cheese pairing.

Did you know?

Our soils are strewn with limestone fragments; reminiscent of the great Chardonnay vineyards of the world. Our cool climate challenges the vine to produce grapes with complex flavours and sturdy acidity.

Technical Notes

Clone 76

Vines planted in 2010 on Hillier Clay Loam by Tim and Micheline Kuepfer

Vine yield 1.0 Tonne

Closure - screw cap

Acidity - moderate
