of PELHAM

THE CLASSIC WINES

Our Classic wines focus each grape varietal's character through our wine region's lens. Modern techniques harmonize with old-world character to produce wines that are vibrant, balanced, and confidently Henry of Pelham.

NIAGARA PENINSULA

The most prominent wine region in Canada, representing nearly 2/3 of the country's wine grapes and 98% of Ontario's, the Niagara Peninsula is defined by its adjacency to the moderating waters of Lake Ontario and the protective rock face of the Niagara Escarpment. Of the region's 10 sub-appellations the Short Hills Bench is our home. With 90% of the regions' south facing slopes and an average diurnal shift of 13°C, it is both one of the warmest and coolest appellations during the growing season. Combined with a diversity of lacustrine soils, the local mesoclimate and aspect produce unique yet representative Niagara wines.

DESCRIPTION

Notes of jasmine are layered with the tart, crisp flavours of green apple in our Riesling. As friendly on a warm summer's day or a cool winter's eve.

WINEMAKER'S NOTES

- Soils are lacustrine silty clay.
- A range of vineyards, the oldest dating back to 1984, the youngest to 2006.
- Clones from both the Mosel and Alsace play roles in this wine.
- Yields of 4.5-5.0 tonnes per acre.
- All grapes gently moved by gravity.
- All juice is press-fractioned to separate the finest cut.
- Gently destemmed then pressed in the absence of oxygen to preserve the natural freshness of this wine.
- Fermented at cool temperatures of 15 to 17°C in stainless steel tanks to preserve the fruit's delicacy and freshness.

FOOD MATCHES

Roasted glazed ham, white pizza with goat's milk cheese or spicy Thai dishes.
