

2020 CABERNET FRANC

TASTING NOTES:

The texture of this wine is absolutely incredible: soft, smooth, creamy, and feels like satin. Very unique and special, just like the 2020 vintage conditions. The nose offers black cherry, red currant, raspberry, dark chocolate and roasted red pepper. The palate is rich, suave, long and complex and displays some of the very best attributes of the Cabernet Franc grape varietal: dark cherry, blackberry, red plum, black forest cake and chilli pepper. The tannins are luxurious and velvety at the highest level, leading to a never-ending finish.
