

2022 SAUVIGNON BLANC

WINEMAKER'S YADA-YADA

2022 was a small vintage due to some damage to vineyards from one extremely cold night in the winter. What we lacked in quantity, we made up for in quality. It was an excellent growing season with hot sunny days that carried into fall. The 2022 vintage made wines with great intensity and concentration while still maintaining a nice seam of acidity. The Sauvignon Blanc from this vintage is bright and full-bodied, leaning towards more tropical fruit flavours.

WHAT TO EXPECT

Aromas of sweet grass, asparagus, ruby red grapefruit, key limes, and pineapple. On the palate it's bursting with grapefruit, lime, and nectarines with nuances of sweet bell pepper and fresh herbs. This wine is full-bodied with refreshing acidity and lots of intensity. Punchy and vibrant!

ON THE TABLE WITH

Goat cheese crostini, fresh summer salads, grilled asparagus, oysters, ceviche, white fish with herbs and lemon, fish tacos.
