

2021 County Cabernet Franc Unfiltered

Alcohol: 12%

Residual Sugar: <2.0g/L (bone dry)

Total Acidity: 7.1g/L

Free SO₂: 14mg/L

Total SO₂: 44mg/L

VQA Prince Edward County

Cellar notes:

2021 was a classic year for us. We managed to avoid the heavy rains that Niagara suffered in late September/early October. We harvested into late October to ensure the grapes attained great physiological ripeness. Aged for 18 months in French Oak barrels.

Tasting notes:

The wine is very reminiscent of the great Cabernet Francs from the Loire Valley. Bright vibrant acidity, great colour, and an ethereal lightness that only cool-climate terroirs can achieve.

Normar Hardie
