

## 2020 Chardonnay Cuvée Des Amis

**Alcohol:** 13.0%

**Residual Sugar:** <3.0g/L

**Total Acidity:** 5.8g/L

**Free SO<sub>2</sub>:** <6mg/L

**Total SO<sub>2</sub>:** 40mg/L

**VQA Prince Edward County**

### **Cellar notes:**

Made with 100% County Chardonnay, this wine truly expresses the great vibrancy and minerality of Prince Edward County limestone.

The wine was fermented and aged in French oak as with our.

Bottled unfinned and unfiltered.

### **Tasting Notes:**

Our special Chardonnay made during only the most exceptional vintages. The most pure example of PEC soils – this mineral driven Chardonnay has lovely aromas of citrus and bright, vibrant acid on the palate.

The palate gives classic cool-climate Chardonnay flavours of lemon peel, stoniness, exhilarating acid and a long, lingering finish.

Aptly named Cuvée des Amis – a wine to be enjoyed and shared with friends.
