

## 2020 REDSTONE MERITAGE

**THE APPELLATION:**  
VQA Niagara Peninsula

**THE HARVEST:**  
OCTOBER 14th, 2020

**THE VARIETAL PROFILE:**  
43% Cabernet Sauvignon, 35% Cabernet Franc, 22% Merlot

**THE NOTES:**  
At Redstone Winery, we are inspired by the diverse terroir that Niagara has to offer, and truly believe that the most distinguished wines begin in the vineyard. This premium blend was crafted from the highest quality fruit, and assembled from Cabernet Sauvignon, Cabernet Franc and Merlot, and was aged for 18 months in French Oak Barrels. This robust wine displays generous aromas of black cherry, blackberry, raspberry, cocoa powder, and exotic spices. On the palate, it is full-bodied and structured, it shows lots of depth and layers, delivering ripe notes of black fruit, tobacco and spices. The finish is long and balanced, and the tannin structure indicates a long life ahead.

**THE PAIRINGS:**  
This vintage of the Meritage blend screams for a big steak, braised or smoked meats. It will pair well with a charcuterie board with strong cheeses and cured sausage.

**THE CELLARING:** Drink now to 2035

### THE NOTES
