

2016 MERLOT

THE APPELLATION:
REDSTONE VINEYARD | VQA LINCOLN LAKESHORE

THE HARVEST:
Nov 6, 2016

THE VARIETAL PROFILE:
100% Merlot

THE NOTES:
Named for its heavy red clay soil and large stones the Redstone estate vineyard is perfect for maturing late-ripening varieties like Merlot. This is a full bodied, complex wine with strong tannin structure. On the nose there are notes of prunes and graphite and eucalyptus. The palate mimics these flavours with the addition of dark chocolate and tomato leaf.

THE PAIRINGS:
With its bold character and firm tannins, this wine is the perfect partner for hearty comfort dishes. Enjoy it with bacon-wrapped beef tenderloin, lamb and Guinness stew, or venison with a chocolate and blueberry reduction.

THE CELLARING:
Drink now to 2026
