Cellaring Potential

Enjoy now through to 2027!

Winemaker's Comments

This red was made from an assemblage of Cabernet Sauvignon (46%), Cabernet Franc (44%) and Merlot (10%), which were aged for 16 months in French oak barrels. This wine displays intense and ripe notes of black cherry, blueberry, cocoa powder, and spices. It is medium to full-bodied, dense, showing enticing flavours of cherries, berries and spices. The finish is long, well-balanced, and the tannins are medium in intensity.

Food Pairings

Try with grilled steaks or tagliatelle with Ragù.
