---

### WINEMAKING

Made in the traditional French Champagne method. No skin contact, 100% Pinot Noir. Barrel fermented and aged in neutral puncheons. 100% wild primary and malolactic fermentation. Perpetually blended year over year.

### TASTING NOTES

A small batch Traditional sparkling, with a rich golden colour and fine bubbles. Enticing aromas of crème brûlée, brioche and mocha with notes of golden apple on the palate. Fresh, crisp and a delight to drink. Cheers!

### FACTS & SPECS

Pinot Noir fruit is sourced 100% from the Westcott Home Farm Vineyard which boasts south facing slopes.
