### Winemaker's Comments

Our Quarry Road Vineyard is organically and sustainably farmed and follows the natural slope along the top of the escarpment in the Vinemount Ridge sub-appellation. This is our coolest and windiest site, and the fruit is later ripening than our Cherry Avenue vineyards. The soil at our Quarry Road Vineyard is clay loam over limestone, offering distinctive wines with unique minerality.

Our 21 Quarry Road Chardonnay was barrel fermented with indigenous yeast and aged in a mix of 228L French Oak Barrels and 500L Puncheons for 10 months to compliment the delicate tree fruit and white flower characteristics that this wine is known for.

### Tasting Notes & Food Pairings

This 2021 chardonnay showcases notes of lemon curd, honey suckle and sponge cake.

This chardonnay can be enjoyed on its own or would pair well with a wild mushroom and herb pasta dish or pan seared scallops.
