VINTAGE NOTES/ VINEYARD NOTES	The cool thing about Sauvignon Blanc is that the picking date greatly influences the final flavours in the wine. It's a stressful time of year finding just the right day to achieve the results we want. It starts out zesty and herbaceous and can quickly change to tropical and full bodied in a matter of days. Our "Backyard Block" from our Estate Vineyard consistently delivers beautifully intense, vibrant and complex wine year after year.
WHAT TO EXPECT	
SENSORY NOTE	Soft notes of sweet peas and grassiness meet with vibrant notes of green apple and lime on the nose. The palate is grapefruit and pear fruit with a slight herbaceousness. Crisp and clean with a refreshing acidity and hint of minerality.
